Contact Name: Kitty Brothers

Organization: EBRP Library, Pride-Chaneyville Branch

Phone: 225-658-1541

Email: kbrothers@ebrpl.com

Date of Event: 04/05/2011

Time: 6:30 pm

Purpose of Event: To generate interest in more non-library users coming to the library. We do have our regular users (older adults, pre-schoolers, students, & teens), but there are lots more adults & older teens who never darken the library doors that we want to reach. We thought one or more of your speakers/programs could help us pique their curiosity & reach them.

P.S. The date & time are actually to be determined. The only reason I filled them in was because it wouldn't "SEND" without those fields being filled.

Location (City and Parish): Pride, EBR Parish, LA

Topic: We are not too particular at this time, just something that might draw a fair sized audience. I believe someone came to do a program for children on LA birds a year or so ago, but we need programming for adults, now. Thank you, in advance, for your consideration of our request.
